

# Announcing!

copies of

## Teen Health Talk!

a series of 6 episodes of a live, call-in talk show  
hosted by the Teen Health Advisory Council  
from Health Care For All.

Teens on the council wrote, produced, and hosted all 6 episodes to offer a youth perspective on some serious teen health issues!

Topics Include:

[Episode 1: Teen Pregnancy](#)

[Episode 2: Sexually Transmitted Diseases](#)

[Episode 3: Youth Smoking](#)

[Episode 4: Teenage Drinking](#)

[Episode 5: Dating Violence](#)

[Episode 6: Interracial Dating](#)

Videos have (finally!) been produced and are ready for distribution. Thanks to some generous donors, we are able to provide a limited number of the videos **free of charge**\* (*Priority for free copies will be given to organizations that can indicate need*). Otherwise, they are being sold at production cost (**\$20.00\***).
